

Backstage Hands

Attention! We need moms, siblings, or family members to volunteer to work backstage with the children during our recital performances. If you do volunteer to work backstage, you will receive one *free* ticket to the show of your choice. Please mark down your preference if you can only work one specific show, or if you have the availability to work either (you'll still only work one show, but that way I can move around my helpers if necessary), mark both. Please turn in your form by Tuesday, May 30th so we can make the schedule. You will be notified shortly after by email. Thanks a BUNCH!!
